2012 Action Plan

Executive Summary

The Action Plan is that portion of the Consolidated Plan that is prepared each year as the grant application for the CDBG, HOME, and ESG programs. The purpose of the Action Plan is to identify the various federal and state resources that might be expected to be available to address the priority housing and non-housing community development needs and objectives in the Strategic Plan section of the Consolidated Plan. In addition, the Action Plan describes how funds will be distributed through the CDBG, HOME, and ESG programs; the activities planned for homeless and other special needs persons; other actions required by HUD; and the short-term non-housing objectives for each planning region in the state. The Action Plan contains only summaries of the CDBG, HOME, and ESG programs. For more detailed information refer to pages 47 and 48 of the Action Plan for access to applicable websites.

The State's performance in previous years has been excellent. Twenty percent of the State's ESG funds were used for homeless prevention. The Governor has also created an Interagency Council on Homeless to develop a ten year plan to end chronic homelessness. The State used over 95 percent of the CDBG Program's 2010 allocation to benefit Low and Moderate Income persons. The HOME program missed its goal of producing 831 HOME assisted units by producing 668 HOME assisted units in 2010.

Federal Resources

The following Federal resources are expected to be available to address statewide housing and non-housing needs:

1. Community Development Block Grant (CDBG) program, except in the entitlement cities of Bismarck, Fargo and Grand Forks;
2. HOME program;
3. Emergency Solutions Grants (ESG) program;
4. Shelter Plus Care program;
5. Low-income Housing Tax Credit program;
6. Department of Energy Weatherization program;
7. USDA Rural Development programs; and
8. Community Services Block Grant program.

The Federal resources listed have limited funds available so the programs, when administered by the state, are generally designed to require the use of other funds to complete projects. For instance, all CDBG economic development projects require, by design, a 50 percent match of other funds. For CDBG public facilities projects, the Regional Councils generally require some percentage of other funds. Administrative costs that are required to be matched for the CDBG and HOME programs are included in the Division of Community Services budget.

State Resources

The following state resources are expected to be used to address statewide housing needs:

1. Home Mortgage Finance program (First Time Homebuyer programs);
2. START Downpayment Assistance program;
3. Helping Hands Across North Dakota program for housing;
4. Rehab Accessibility Program
5. Rural Housing Rehabilitation Loan Program; and
6. State Revolving Fund program for waste water and drinking water systems.

Activities

In this section we are required to describe how the state will distribute funds from the CDBG, HOME, and ESG programs to local governments and non-profit organizations, and how the proposed distribution of funds will address the priority needs and objectives described in the Consolidated Plan.

To distribute the CDBG funds, the state provides an allocation of funds to each of the state's eight Regional Planning Councils to recommend grant awards on a competitive basis. Each Regional Council is responsible for developing a program distribution statement describing how it will award funds. The state's role is to provide overall direction for the CDBG program and to review each project for compliance with the state CDBG Program Distribution Statement and the respective regional program statement. In addition, a set-aside is available for the Governor to fund economic development projects in coordination with the Regional Councils. For the HOME program, funds will be allocated to each of the state's seven Community Action Agencies, the North Dakota Housing Finance Agency, two Community Housing Development Organizations, two housing authorities, and the cities of Bismarck and Grand Forks. Funds from the ESG program will be distributed on a competitive basis to eligible applicants. More detailed information for accessing and awarding funds under these three programs may be found on the Division of Community Services web site.

The criteria for approving projects under the CDBG program for each Region are based directly on the state's affordable housing goals and long-term non-housing community development objectives, emphasizing all needs identified as a high priority and primary benefit to households of 0 to 51 percent MFI. The HOME program is designed to achieve the affordable housing goals identified in the Strategic Plan, and the ESG program is focused on broadening existing emergency shelter and homelessness prevention activities, emphasizing rapid rehousing and helping people quickly gain stability in permanent housing after experiencing a housing crisis and or homelessness.

The following provides an overview description of each program:

COMMUNITY DEVELOPMENT BLOCK GRANT SUMMARY

The purpose of the Community Development Block Grant (CDBG) Program Distribution Statement is to describe how the state of North Dakota intends to distribute its CDBG Public Facilities, Housing and Economic Development funds.

To better address local community development needs, the Governor has directed that the State's allocation be divided among each of the eight Regional Planning Councils that have established procedures to review and rank applications submitted within their respective regions.

Program Goals and Objectives

- Creation of permanent jobs for very low and low income persons
- Economic diversification
- Leveraging of private and local investment
- Benefit to the state's economy
- Water and sewer activities which currently present a threat to health and safety
- Removal of architectural barriers which will permit access for the handicapped
- Direct benefit to a locality's very low and low income persons
- Leveraging local and other available financial resources to finance the cost of the activity
- Meeting the health and safety needs of very low income persons by bringing the rehabilitated housing up to a minimum of the Section 8 Housing Quality Standards
- Making more affordable housing available for very low and low income persons

Eligible Applicants

Eligible applicants under the North Dakota Community Development Block Grant Program are limited to counties and incorporated cities.

** Program income funds are not reflected in this total.					

Governor's Fund for Community Development

The Governor's Fund for Community Development primary focus will be to fund primary sector economic development projects. However, other eligible CDBG projects may also be funded, including those that will alleviate an immediate health and safety condition in the community. Up to \$100,000 of the Governor's Fund may be used for permanent supportive housing to address long term homelessness. Housing projects funded with the Governor's Fund will be based on increased housing needs due to economic development activities.

Section 108 Loan Guarantee Program

The state will not use CDBG funds to access the Section 108 Loan Guarantee program.

Regional Allocations

The following is a summary of each Regional Council's 2012 Program Distribution Statement.

**REGION I
TRI-COUNTY REGIONAL DEVELOPMENT COUNCIL**

EXECUTIVE SUMMARY

This "Regional Attachment" to the North Dakota Program Distribution Statement for the Community Development Block Grant program and the Community Development Loan Fund reflects the needs of North Dakota Planning Region I and addresses the needs of the low and very low income residents, slum & blight removal, or the urgent needs of those counties and their resident communities.

Total FY 2012 Estimated Amount Available for Distribution:	\$186,131
<i>Allocations by emphasis area:</i>	
Public Facility	\$ 86,131
Housing Rehabilitation	100,000

This option may be exercised without public notice at the sole discretion of the committee if final applications are invited after April 20 due to availability of additional funds resulting from additional allocations, returned or unobligated funds, or fund transfers. In such cases the committee may extend the final application deadline as it determines is appropriate, but not later than seven days prior to the latest date by which applications and amendments must be received by DCS.

**ECONOMIC DEVELOPMENT
COMMUNITY DEVELOPMENT LOAN FUND**

Applications for funding for the state Community Development Loan Fund (CDLF) will be accepted by the R-CRC at any time throughout the program year.

Funding for the State CDLF program is available from program income. Program income comes from CDLF loans that have been made previously and repaid. Economic development projects being proposed to R-CRC's CDLF program must meet the eligibility criteria as described in the current State Action Plan.

Loan applicants will be required to submit a pre-application or meet in person with R-CRC staff for a preliminary determination of project eligibility.

HOME PROGRAM SUMMARY

The Department of Housing and Urban Development (HUD) has designated the State of North Dakota as a participating jurisdiction (PJ) and as such it may apply for and distribute HOME funds. The agency responsible for administration of the North Dakota HOME Program is the Department of Commerce, Division of Community Services (DCS).

The State plans to distribute its FY2012 HOME program allocation in accordance with this Action Plan, a requirement of the National Affordable Housing Act of 1990, HOME Rule at 24 CFR 92 and 24 CFR part 91. The State will use its HOME funds for the following activities to help meet the housing needs identified in the State Action Plan:

- Rehabilitation of Owner-occupied and Rental Property
- Homebuyer Assistance
- Refinancing of Homeowner-occupied Housing
- Tenant Based Rental Assistance (including security and utility deposits)
- Acquisition, New Construction, Site Improvements, or Demolition Linked to a Project
- Administrative Costs
- Operating Expenses for Community Housing Development Organizations (CHDOs)

DISTRIBUTION PLAN

The state will administer its program through agreements with CHDOs, state recipients, and subrecipients. The HOME Program will be allocated through non-competitive set-asides based on priority needs as established by the statewide housing needs assessment and local established needs. Set-asides will be awarded based on regional, multi-regional or statewide plans.

The state may reallocate funds from one category to another, or one recipient to another, because of high demand, an emergency due to a natural disaster or determinations that performance based measures have not been met.

State program income received by DCS may be allocated, at DCS's sole discretion, to any CHDO, subrecipient, or state recipient, for any project or activity DCS deems necessary.

Relocation is the only allowed activity in a designated flood plain under the state's multi-year environmental review. Local governments may complete their own Environmental Reviews and make their own flood plain determinations on a case-by-case basis.

All recipients are expected to locally meet the HOME Program match requirement of 25 percent unless specifically waived by the DCS. Existing general waivers include a state policy that homeowner rehabilitation and TBRA activities are excluded from the match requirement.

Only the forms of HOME assistance listed in Part 92.205(b) will be allowed. Applicants should use private funds, tax credits, Rural Development, Federal Home Loan Bank, CDBG, Department of Energy, or other grant/loan programs to help leverage HOME activities. The North Dakota HOME Program will include the following components:

1. Community Housing Development Organizations (CHDOs)

HOME funds will be reserved for two multi-regional Community Housing Development Organizations (CHDOs). The multi-regional CHDOs are nonprofit agencies that meet the CHDO requirements as defined in HOME program regulations. The western multi-regional CHDO will cover planning regions I, II, VII and VIII. The eastern multi-regional CHDO will cover planning regions III, IV, V and VI. Each multi-regional CHDO board must consist of representation from all four regions in its jurisdiction.

To access the multi-regional CHDO set-aside, interested parties may contact and partner with either the Affordable Housing Developers Inc. in planning regions I, II, VII and VIII or the Eastern Dakota Housing Alliance in planning regions III, IV, V and VI. These two entities will have equal access to each fiscal year's CHDO allocation and will be eligible for the operating set-aside.

DCS reserves the right, at its sole discretion, to certify additional CHDOs and/or adjust set-asides as may be deemed necessary.

Up to ten percent of each multi-regional CHDO set-aside may be used for pre-development loans to assist specific projects. Predevelopment loan repayments must be sent to the DCS. The repaid funds will be added to the next FY allocation. Each multi-regional CHDO must have a scoring criteria developed that is consistent with the state's Consolidated Plan.

The application process will be a two stage process.

- a. Submission of a Multi-Regional CHDO Plan(s) by **March 1, 2012**.
- b. Submission of the final CHDO Application(s) by **November 1, 2012**.

2. State Recipient Set-Aside

HOME allocations have been set-aside for the two communities (Bismarck and Grand Forks) that are entitlement cities, but not PJs. This program component is non-competitive, and each city will be eligible to apply for a predetermined amount of funding based on population, number or percentage of low income households, and housing needs. Although these cities will be able to design their projects to meet local needs, all activities must be within the parameters of the State HOME Program. **Each city must submit a plan by March 1, 2012.** This plan will reserve their set-aside funds. The city must submit the final HOME Project Application(s) and certification of Consolidated Plan compliance before HOME funds will be committed. Submission of the final HOME Project Application(s) must be received by **November 1, 2012.**

3. Subrecipient Set-Aside

HOME funds will be set-aside for the Housing Finance Agency, Cass and Stutsman County Housing Authorities and the seven Community Action Agencies. These funds will be used to complete activities in their jurisdiction that are consistent with the State's Consolidated Plan and are a priority for their area. **All annual plans must be submitted to the DCS no later than March 1, 2012.**

4. Administration

The State as the Participating Jurisdiction, state recipients, and sub recipients will be allowed to receive HOME monies for administrative expenses. These costs may not exceed ten percent of the entire HOME allocation for North Dakota.

5. Estimated Summary of Funding:

2012 HOME Program Funding	\$ 3,000,000
2012 HOME Program Income	\$ 175,000.00

6. HOME Goals

The HOME program focuses on four major housing needs;

- a. Single Family Rehabilitation
- b. Homeowner Assistance
- c. Rental Production and Rehabilitation
- d. Tenant Based Rental Assistance

Each of these needs is considered high priority needs for use of HOME funds. These needs are addressed and prioritized locally by set-asides made by the Division of Community Services to their grantees. Each grantee delivers the HOME program in their region, city or multiple regions. Based on past activities completed with HOME funds and changes in program needs, the State has established the following goals for 2012. Each year the State will review the needs and completed goals and make a determination if the goals should be changed based on new developments that have created different needs around the state.

			2012 HOME Action Plan Goals

	Single Family Rehabilitation	46	1	5	2	11	9	2	12	4	
	Homeownership Assistance	136	2	15	5	34	27	6	39	9	

The special needs populations continue to be assisted with our general set-asides. The state requests that each grantee prioritize special needs populations such as the elderly and disabled populations. The state also requires each grantee to reach as many very low income families as possible. Due to changing regulations, changes in HUD funding, and changes in local needs determinations, goals best reflect the need at a given point in time.

7. Resale/Recapture Requirements for Homebuyer Assistance

The ND HOME Program provides funding to subrecipients, State recipients, and CHDOs. In order to ensure the period of affordability, any of these entities who have elected to provide homebuyer assistance are required to specify their elected recapture or resale provisions. The recapture or resale provisions will be contained within their written agreement with the Participating Jurisdiction. During its grant monitoring of the HOME program subrecipients, the state will review the deed restrictions, covenants attached to the land, mortgages, or other similar mechanisms placed on the HOME-assisted property, to ensure the provisions being used are in accordance with those stated in the written agreement with the subrecipient.

The HOME-assisted housing must meet the affordability requirements for not less than the applicable period specified in the following table:

HOME Assistance Per Unit	Minimum Period of Affordability
Less than \$15,000	5 yrs.
\$15,000 - \$40,000	10 yrs.
More than \$40,000	15 yrs.

The recapture or resale provisions must be assured so that the unit remains affordable through deed restrictions, covenants attached to the land, mortgages, or other similar mechanisms. The deed restrictions will terminate upon occurrence of any of the following: foreclosure, transfer in lieu of foreclosure or assignment of an FHA insured mortgage to HUD. The restrictions shall be revived according to the original terms, if during the original afford-ability period, the owner of record before the termination event, or any entity that includes the former owner or those with whom the former owner has or had family or business ties, obtains an ownership interest in the project or property. Recipients will be encouraged to use purchase options or first refusal provisions to enforce provisions and to purchase the property before foreclosure to preserve affordability.

Option 1 - Resale Provision

Resale requirements must ensure, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability that the housing is made available for subsequent purchase to a family whose income falls within a reasonable range of low-income homebuyers and the purchasing family will use the property as its principal residence. The resale requirement must also ensure that the price at resale provides the original HOME-assisted owner a fair return on investment and ensure that the housing will remain affordable to a reasonable range of low-income homebuyers. *A fair return on the owner's investment is defined as the return of the owner's closing costs, principal payments, and improvement costs, less any repairs required to meet code or HUD's Housing Quality Standards at the time of resale.* The ND HOME program defines a reasonable range of homebuyers as those families whose income is between 65% and 80% of the median area income. The period of affordability is based on the total amount of HOME funds invested in the housing. All time remaining in the period of affordability must transfer to subsequent purchasers. Any violation of this resale provision would require the initial HOME investment to be repaid.

Option 2 - Recapture Provision

Recapture provisions must ensure that the participating jurisdiction recoups all or a portion of the HOME assistance to the homebuyers if the housing does not continue to be the principal residence of the family for the duration of the period of affordability. The HOME investment that is subject to recapture is based on the amount of HOME assistance that enabled the homebuyer to buy the dwelling unit. This includes any HOME assistance that reduced the purchase price from fair market value to an affordable price (direct subsidy), but excludes the amount between the cost of producing the unit and the market value of the property (i.e., the development subsidy). The direct subsidy may include down payment assistance, closing costs, or any other HOME assistance provided directly or indirectly to the homebuyer. The recaptured funds must be used to carry out HOME-eligible activities. If the HOME assistance is only used for the development subsidy and therefore not subject to recapture, the resale option must be used. The period of affordability is based upon the total amount of HOME funds that is initially subject to recapture. The amount of HOME funds that is subject to recapture if the housing does not continue to be the principal residence of the family is limited to the amount available from the net proceeds of the sale. The net proceeds of the sale are the sales price less the loan repayment (other than HOME funds) and closing costs.

All entities providing assistance to homebuyers have elected to use the Recapture Provision as explained below:

- The City of Grand Forks: **Recapture Provision**
 - The entity will follow the recapture option in 24 CFR 92.254 (a) (5) (ii) (A) (2) which allows for recapturing a reduced amount during the affordability period. The city will require a minimum 10 year affordability period with 0% reduction of the recapturable amount during the first five years. Beginning in year 6, the recapturable amount of the HOME investment will be reduced on a pro-rate basis, as long as the homeowner continues to own and occupy the home.
 - If the net proceeds (sales price minus loan repayment, other than HOME funds, and closing costs) are not sufficient to recapture the HOME investment and enable the homeowner to recover his homeowner investment (the amount of their down payment and any documented capital improvement investments), the HOME recapture amount will be set as follows:
$$\frac{\text{HOME Investment}}{\text{HOME Investment} + \text{Homeowner Investment}} \times \text{Net Proceeds} = \text{HOME Recapture Amount}$$
- The North Dakota Housing Finance Agency: **Recapture Provision**
 - The entity will follow the recapture option in 24 CFR 92.254 (a) (5) (ii) (A) (2) which allows for recapturing a reduced amount during the affordability period. For their down payment and closing costs assistance program, the North Dakota Housing Finance Agency will require the minimum affordability period based on the amount of the direct home subsidy. Beginning in year 1, the recapturable amount of the HOME investment will be reduced on a pro-rata basis, as long as the homeowner continues to own and occupy the unit.

- Eastern Dakota Housing Alliance: **Recapture Provision**
 - The entity will follow the recapture option in 24 CFR 92.254 (a) (5) (ii) (A) (2) which allows for recapturing a reduced amount during the affordability period. Eastern Dakota Housing Alliance will require the minimum affordability period based on the amount of the direct home subsidy. Beginning in year 1, the recapturable amount of the HOME investment will be reduced on a pro-rata basis, as long as the homeowner continues to own and occupy the unit.

EMERGENCY SOLUTIONS GRANTS PROGRAM SUMMARY

The State of North Dakota will distribute its FY2012 Emergency Solutions Grants program (ESG) allocation of \$497,005 through a competitive grant application process. The State's 2012 ESG allocation will be made available to eligible applicants and will be administered in accordance with the Final Rule regarding Homeless Emergency Assistance and Rapid Transition to Housing: Defining Homelessness and the Interim (or Final) Rule regarding Homeless Emergency Assistance and Rapid Transition to Housing: Emergency Solutions Grant Program and Consolidated Plan Conforming Amendments.

Communities of 2,500 more populations will be targeted since those are the communities experiencing the greatest need to provide services and facilities for the assistance to the homeless and potentially homeless. Nonprofit entities located on Indian reservations are also eligible to receive funds. The Division of Community Services (DCS) will review, score, and fund applications based on the ability to achieve the following state program objectives:

1. To fund projects that encourages the use of program funds to complement the use of other public and private funds in providing assistance to the homeless. (Max. 5 points)
2. To fund projects which document and address shortages in funding, facilities, and services to the homeless, and which encourage and demonstrate maximum coordination of services and programs within the community. (Max. 5 points)
3. To fund projects which document participation in region wide or statewide continuum of care process. (Max. 5 points)
4. To fund projects which can be completed in a timely manner, within budget, and in conformance with all applicable federal and state requirements. (Max. 5 points)
5. To fund projects which involve, to the maximum extent practicable, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG, and in providing service for occupants of these facilities. (Max. 5 points)

To be eligible for funding, applications must receive a minimum subjective score of 15. All applications with a score of 15 or higher will receive funding based on the average recommended amounts by DCS' application reviewers.

The maximum amount of funds that will be made available to any one homeless facility or agency providing assistance to the homeless is \$50,000. The DCS may set-aside 40 percent (\$198,802) of its allocation to fund homeless prevention and rapid re-housing activities.

Applicants for the Emergency Shelters Grants program are Units of Local Government, and eligible nonprofit organizations. Eligible nonprofit organizations may apply directly to the DCS, with a certification of approval of the project by the unit of local government in which they are located. Applications will be solicited directly from all shelter programs, and units of local government, in the state.

During the 2012 program year, any returned funds will be disbursed in a manner which will take into consideration the greatest areas of unfunded need among the remaining programs.

It is anticipated that applications will be requested for submission to the Division of Community Services by May 30, 2012.

Geographic Distribution

The HOME and ESG program funds will be available to eligible applicants statewide. Fargo receives their HOME funds directly from HUD. The CDBG program is available to eligible applicants in every city and county, except the three entitlement cities of Grand Forks, Fargo, and Bismarck.

Homeless and Other Special Needs Activities

Homeless Activities for 2012 Include:

1. Awarding of funds to eligible applicants to provide street outreach, emergency shelter, homeless prevention and rapid re-housing activities.
2. Complete a renewal application for the statewide Shelter Plus Care program.

Other Special Needs Activities

As indicated in the Strategic Plan section of the Consolidated Plan, no specific activities are planned during the 2010-2014 Consolidated Plan years, other than under the affordable housing goals, to address the needs of non-homeless special needs persons. Other state agencies currently administer programs specifically for the elderly, frail elderly, persons with disabilities, developmentally disabled, alcohol and drug abuse persons, and persons with HIV/AIDS. The demand for CDBG and HOME funds for other needs far exceeds the capability to further target the use of funds.

Obstacles to Meeting Underserved Needs

The major obstacle to meeting underserved needs is the small amount of funds the state receives through the CDBG, HOME, and ESG programs. The needs far exceed the ability of these programs to make any significant impact, which is why the state continues to fund the same type of housing and non-housing activities each year. Housing rehabilitation continues to be a high priority need, but the interest in doing more rehabilitation is severely hampered by the lead-based paint requirements. Costs to investigate and mitigate lead-based paint are very high and the lack of funds means fewer opportunities for rehabilitation. Since there is nothing we can do to change either of these problems, no actions are planned.

Foster and Maintain Affordable Housing

During the 2012 program year we will continue to promote targeting CDBG and HOME funds to households of 0 to 30 percent of the MFI, persons with disabilities, the elderly, and minorities, focusing primarily on housing rehabilitation and assistance in buying or renting affordable housing.

Removal of Barriers to Affordable Housing

The Statewide Housing Needs Assessment indicated that some leaders view zoning, size of lots, cost of development, availability of infrastructure, restrictions regarding development of multi-family units, development of agricultural land, and the need for stricter codes to improve property values and pride in ownership as potential barriers to creating housing. These are primarily local issues over which the state has little or no authority. However, we do have a state building code and we will continue to promote its adoption and enforcement and continue to provide training support to local building officials through the North Dakota Building Officials Association. In addition, we will promote the use of CDBG and HOME funds for development whenever it becomes a potential.

Lead-based Paint

During this program year we will continue working with the North Dakota State Health Department and the University of North Dakota to provide training for lead-based paint risk assessors. In addition, we expect to see more coordination with the Community Action Agencies to increase the amount of lead-based paint testing activities.

Institutional Structure

As previously noted, we do not believe that there are any gaps in the current institutional structure for the delivery of programs that need to be addressed.

Coordination Efforts

As previously noted, we believe that good coordination of programs is occurring and that no specific additional actions are required.

Fair Housing

The State is in the process of completing an Analysis of Impediments to Fair housing (AI). It is the state's intention to make a presentation on the Draft AI during the Statewide Housing Conference which is slated for February 8 and 9, 2012. Upon completion of the AI, the state will determine what actions will be taken to ameliorate the impediments to fair housing that have been identified by analysis. We will continue to emphasize the targeting of funds to low-income households, persons with disabilities, and minorities.

Anti-Poverty

The primary activities will be to create jobs with CDBG funds, encourage referrals of low-income persons and families to the Self-Reliance program (although no data can be obtained showing referrals because of confidentiality), and, as reflected in our affordable housing goals, to target HOME and CDBG funds to low-income households.

Non-housing Community Development – Short Term Objectives – Per Region

This section identifies by region the short term objectives for non-housing CDBG activities for the 2012 program year.

Region 1

- Assist one removal of architectural barriers project.
- Assist one water/sewer project.

Region 2

- Create 10 to 15 job opportunities.
- Target one emergency services project.
- Target two projects that repairs or replaces public infrastructure.

Region 3

- Assist two economic development projects with start-up or expansion to create 10 to 15 jobs.
- Assist three public facility projects.
- Assist one removal of architectural barriers project.
- Assist one urgent need project.

Region 4

- Target job creation for low and moderate income individuals. The goal for 2012 will be to create and/or retain 5 new jobs.
- Fund at least one public facility/removal of architectural barriers project.

Region 5

- Fund at least three public facility projects.
- Fund at least two loans to businesses.
- Fund at least one project involving infrastructure extension to businesses or industries.
- Create at least 50 new jobs as the result of projects assisted.

Region 6

- Fund three public facility/planning projects that address problems with health and safety, and/or removal of architectural barriers.

Region 7

- Target job creation for low and very low income persons. Target will be the creation of 15 new jobs.
- Provide CDBG dollars for public facility projects that address problems of health and safety, or architectural barriers or both. The target will be four public facility projects.

Region 8

- Target job creation or retention for low and very low income persons. The goal will be one project, creating or retaining eight jobs.
- Assist in the purchase of one ambulance/fire truck and related equipment or assist in one project that removes architectural barriers for handicapped individuals.

Faith-Based Organization

This section describes the objectives of HUD's new faith-based regulations found in 24 CFR Part 92 dated September 30, 2003.

- Objective 1:** Make clear that organizations are eligible to participate in the eight listed HUD programs without regard to their religious character or affiliation.
- Objective 2:** Make clear that an organization participating in any of the eight listed HUD programs may not use direct HUD funds to support inherently religious activities.
- Objective 3:** Make clear that a religious organization that participates in any of the eight listed HUD programs will retain its independence.

CDBG funds may not be used for acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. CDBG funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under the regulations.

Where a structure is used for both eligible and inherently religious activities, CDBG funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to CDBG funds in this part. Sanctuaries, chapels, or other rooms that a CDBG-funded religious congregation uses as its principal place of worship, however, are ineligible for CDBG-funded improvements.

Citizen Participation

For the development of the Action Plan, the Division of Community Services followed its Citizen Participation Plan by arranging for the eight Regional Planning Councils to hold one public hearing in each region. The 2012 Action Plan was made available for public comment during the period of January 3, 2012 through February 3, 2012.

Monitoring

In this section we are required to describe how the state will monitor the activities carried out to achieve the goals of the Strategic Plan.

Monitoring will be the responsibility of the staff assigned to the CDBG, HOME, and ESG programs and the organizations that partner with the Division of Community Services to implement these programs. This will primarily be accomplished through quarterly and final reports on each funded project. To assure long-term compliance with program requirements, staff will do on-site monitoring of files and each completed project using a systems review of the implementing organizations. Staff will also perform desk-top monitoring using drawdown requests, environmental review notices, Section 504 Self-evaluations, and the Integrated Disbursement Information System (IDIS).

***Applicant Federal Debt Delinquency Explanation**

The following should contain an explanation if the Applicant organization is delinquent of any Federal Debt.

STATE CERTIFICATIONS

State certifies that:

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the State certifies that:

Affirmatively Further Fair Housing -- The State will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the state, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace -- It will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about -
 - (a) The dangers of drug abuse in the workplace;
 - (b) The grantee's policy of maintaining a drug-free workplace;
 - (c) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - (d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will -
 - (a) Abide by the terms of the statement; and
 - (b) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted -
 - (a) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - (b) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved or such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Anti-Lobbying -- To the best of the State's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraphs 1 and 2 of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of State -- The submission of the consolidated plan is authorized under State law and the State possesses the legal authority to carry out the programs under the consolidated plan for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The State certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR §91.115 and each unit of general local government that receives assistance from the State is or will be following a detailed citizen participation plan that satisfies the requirements of 24 CFR §570.486.

Consultation with Local Governments -- It has or will comply with the following:

1. It has consulted with affected units of local government in the nonentitlement area of the State in determining the method of distribution of funding;
2. It engages in or will engage in planning for community development activities;
3. It provides or will provide technical assistance to units of local government in connection with community development programs; and
4. It will not refuse to distribute funds to any unit of general local government on the basis of the particular eligible activity selected by the unit of general local government to meet its community development needs, except that a State is not prevented from establishing priorities in distributing funding on the basis of the activities selected.

Local Needs Identification -- It will require each unit of general local government to be funded to identify its community development and housing needs, including the needs of low-income and moderate-income families, and the activities to be undertaken to meet these needs.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objectives of Title I of the Housing and Community Development Act of 1974, as amended. (See 24 CFR 570.2 and 24 CFR part 570)

Use of Funds -- It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. **Overall Benefit.** The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2012, 2013, and 2014. (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;

3. **Special Assessments.** The state will require units of general local government that receive CDBG funds to certify to the following:

It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It will require units of general local government that receive CDBG funds to certify that they have adopted and are enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Compliance with Laws -- It will comply with applicable laws.

Specific HOME Certifications

The State certifies that:

Tenant Based Rental Assistance -- If it intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the State's consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through §92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Appropriate Financial Assistance -- Before committing any funds to a project, the State or its recipients will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing.

ESG Certifications

The State seeking funds under the Emergency Shelters Program (ESG) certifies that it will ensure that its recipients of ESG funds comply with the following requirements:

Major rehabilitation/conversion -- In the case of major rehabilitation or conversion, it will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for at least 10 years. If the rehabilitation is not major, the recipient will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for at least 3 years.

Essential Services and Operating Costs -- Where the assistance involves essential services or maintenance, operation, insurance, utilities and furnishings, it will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure as long as the same general population is served.

Renovation -- Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services -- It will assist homeless individuals in obtaining appropriate supportive services, including permanent housing, medical and mental health treatment, counseling, supervision, and other services essential for achieving independent living, and other Federal State, local, and private assistance for such individuals.

Matching Funds -- It will obtain matching amounts required under 24 CFR 576.51 and 42 USC 11375, including a description of the sources and amounts of such supplemental funds, as provided by the State, units of general local government or nonprofit organizations.

Confidentiality -- It will develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement -- To the maximum extent practicable, it will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under this program, in providing services assisted through this program, and in providing services for occupants of such facilities.

Consolidated Plan -- It is following a current HUD-approved Consolidated Plan or CHAS.

Discharge Policy -- It has established a policy for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons.

HMIS -- It will comply with HUD's standards for participation in a local Homeless Management Information System and the collection and reporting of client-level information.

APPENDIX TO CERTIFICATIONS

INSTRUCTIONS CONCERNING LOBBYING AND DRUG-FREE WORKPLACE REQUIREMENTS:

A. Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

B. Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies. (This is the information to which jurisdictions certify).
4. For grantees who are individuals, Alternate II applies. (Not applicable jurisdictions.)
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

1600 East Century Avenue, Suite 2
PO Box 2057
Bismarck, ND 58502-2057
Burleigh County

Check X if there are workplaces on file that are not identified here; The certification with regard to the drug-free workplace required by 24 CFR part 24, subpart F.

9. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C.812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

**OPTIONAL CERTIFICATION
CDBG**

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having a particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities which are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.
